## FOR IMMEDIATE RELEASE

### **Second Weekend 55-hour Partial Closure for Pioneer Bridge**

*Use Alternate Routes and Prepare for Delays*

SACRAMENTO – This weekend will see the second of six consecutive 55-hour weekend partial lane closures on the Pioneer Bridge near downtown Sacramento. Motorists are advised to avoid this area if possible and to plan ahead before travelling.

The Sacramento Rivercats are scheduled to play home games in West Sacramento this weekend. Their nighttime games begin at 7 p.m. Friday and Saturday and 5 p.m. on Sunday. More traffic is expected to and from Raley Field than last weekend.

The California State Fair is in its final week near Cal Expo and is open from 10 a.m. to 11 p.m. Friday through Sunday. Slow traffic is expected along Business 80.

Caltrans urges the public to include up to one hour additional travel time for additional delays, alternate routes, and detours.

The Pioneer Bridge is the main connector for Sacramento and Yolo counties on U.S. Highway 50 over the Sacramento River. Additional information including recommended detours can be found at [www.pioneerbridgeproject.com](http://www.pioneerbridgeproject.com).

The 55-hour weekend closure will be from **10 p.m. Friday, July 28 through 5 a.m. Monday, July 31**, reopening for the morning commute. Both eastbound and westbound directions will be limited to one or two lanes. Intermittent ramp closures will impact traffic flow.

Daily schedule during the week will continue to be **Monday through Thursday from 7 p.m. to 6 a.m.** Construction is expected to last through September, 2017 with an effort to complete the work by Labor Day.

Caltrans advises motorists to “Be Work Zone Alert.” The department will issue construction updates on Twitter [@CaltransDist3](https://twitter.com/CaltransDist3) and on Facebook at [CaltransDistrict3](https://www.facebook.com/CaltransDistrict3).
